J U D G M E N T

A.M.KHANWILKAR, J.

Leave granted.

2. This common judgment will dispose all the four petitions.
3. The leading Civil Appeal arising out of Special Leave Petition (Civil) No.9883/2009, is directed against the judgment of the Division Bench of the High Court of Jharkhand at Ranchi in W.P.(S)

No.4159/2008 dated 29th August 2008. By the said Writ Petition, the writ petitioners (respondents 4 to 11 herein) had challenged the selection process for filling up of 34 posts of Additional District Judges through Limited Competitive Examination scheduled on 31st August 2008; and also 18 posts of Additional District Judges from the promotee officers on the basis of merit-cum-seniority scheduled on 23rd August 2008. The writ petitioners (respondents 4 to 11 herein) were appointed purely against temporary and ex-cadre posts on ad-hoc basis, as Presiding Officer, Fast Track Courts in the rank of Additional District & Sessions Judge in the year 2002. According to the said writ petitioners, the impugned selection process was improper and not in conformity with the mandate of the amended Rules requiring ratio of 50:25:25 - by promotion from amongst the Sub-Judges on the basis of merit-cum-seniority and passing of a suitability test; by promotion (by way of selection) strictly on the basis of merit through a Limited Competitive Examination of Sub-Judges having not less than 5 years service; and by direct recruitment from the Bar on the basis of written test and viva-voce conducted by the High Court, respectively. The said writ petitioners asserted that if the impugned selection process was allowed to be

taken forward, it would be in breach of the relevant Recruitment Rules and also infringe the mandate of adhering to the roster as per Rule 8 of the amended Rules. The main contention of the said writ petitioners was that the High Court was erroneously linking the ratio of posts to fill up the vacancies by giving retrospective effect to the amended Rules, which has come into force w.e.f. 20th August 2004. The challenge before the High Court in the writ petition, as has been noted in the opening para 1 of the impugned judgment was limited to the quota assigned for the Limited Competitive Examination from amongst the (Subordinate Judge/Civil Judge (Senior Division) scheduled to be held on 31st August 2008. The High Court in paragraph 4 of the impugned judgment has noted that the challenge is only to the extent of 42 posts of Additional District Judges which had to be filled up by following the roster system in the ratio of 25:25. Those posts were required to be bifurcated equally between the promotees from the rank of Subordinate Judges by conducting Limited Competitive Examination and direct recruits from the Bar in the ratio of 25:25. In paragraph 10 onwards of the impugned judgment, the High Court upheld the plea of the said writ petitioners and issued

directions to the High Court to fill up the vacancies, as directed.

The relevant portion of the impugned judgment reads thus:

“10. Having heard the counsel for the parties at some length in the light of the explanation in regard to the bifurcation of the posts as per roster system to be followed in pursuance to the Jharkhand Superior Judicial Service Rules, which was amended in view of the directions of the Supreme Court, we are of the view that 50% of the posts having already been filled up by the promotes on the basis of the merit-cum-seniority due to which 41 posts were filled up, the left over 42 posts have to be bifurcated into 25% and 25% meaning thereby 21 posts will have to be assigned to be filled up by promotion from the Subordinate Judges/Civil Judge (Senior Division) on the basis of Limited Competitive Examination and left over 21 posts which constitute 25% of the available posts will have to be filled up by the direct recruits as that is the clear mandate of the Supreme Court in the case referred to hereinbefore in pursuance to which the Jharkhand Superior Judicial Service Rules, was also amended in 2001 and became effective in 2004. In fact, the petitioners have informed this Court that the respondents have not only invited the applications for all the 42 posts to be filled up by the Subordinate Judges on the basis of Limited Competitive Examination, but even the posts that might be available in the year 2009 have also been included in the advertisement, which is clearly not in consonance with the direction of the Supreme Court and is also contrary to the Jharkhand Superior Judicial Service Rules, 2001.

11. Hence, this court is left with no option, than to set aside the examination process, which is scheduled to be held on 31.08.2008 and further direct the respondents to bifurcate the left over posts into the ratio of half and half, i.e. 25% and 25% equally and thereafter issued a fresh advertisement for filling up 21 posts by the Subordinate Judges on the basis of Limited Competitive Examination and

the rest 21 posts will have to be filled up by direct recruits for which exercise will have to be undertaken in future by the respondents.

12. As no other point has been pressed in this writ petition and the only dispute that has been raised is in record to bifurcation of posts contrary to the roster principle, referred hereinbefore, and the same having been found to be correct, the notification issued on the internet for filling up the posts of Additional District Judges is quashed and set aside. Consequently, the process of examination to be held on 31.8.2008 is also set aside. The writ petition, accordingly, is allowed, but without any order as to costs.”

4. The appellants, who were working as Subordinate Judges at the relevant time and were otherwise eligible to appear in the Limited Competitive Examination for filling up the notified vacancies by way of promotion, have approached this Court to question the aforesaid decision.

5. The cognate Writ Petitions involve overlapping issues. The petitioners in these Writ Petitions, however, participated in the selection process of 2010 commenced on the basis of an advertisement No. 1/2010 for the post of Additional District Judge from the Bar. These petitioners did not succeed in getting appointed, as the first 8 candidates in the merit list exhausted the 8

vacancies notified for the relevant period. The said writ petitioners were, however, placed at serial No.9 onwards in the merit list. According to these petitioners, some more posts were available for direct recruits from the Bar. That contention, essentially, is dependent on the outcome of Civil Appeal arising out of Special Leave Petition (Civil) No.9883/2009 wherein the selection process of 2008 is the subject matter. According to these writ petitioners, the High Court had failed to notify the correct number of vacancies for 2010. The correct number of vacancies in 2010 to be filled up by direct recruitment ought to be 13. Indeed, the writ petitioners have made their own assumption to arrive at this number of vacancies, as is spelt out from the averments in the Writ Petition.

6. The Registrar General of the High Court has filed reply affidavits. The stand of the High Court (Administration Side) was that no vacancy for direct recruit from the Bar existed as on 20.04.2008. It is stated that in the year 2008, the actual vacancy as on 30th April, 2008 and anticipated vacancy till 31st March 2009 were notified on the official Website of the High Court. The said Notification reads thus:

“Actual and anticipated Vacancy in the cadre of Jharkhand Superior Judicial Service

Actual Vacancy as on 30.04.2008		Anticipated Vacancy till 31.03.2009
By Promotion from Sub-Judges on basis of merit-cum-seniority	Promotion (by way of Selection) through limited competitive examination	By promotion from Sub-Judges on basis of merit-cum-seniority
18	34	11

Note: In the event of issuance of notification by the State Government regarding induction of 10 Adhoc A.D.Js. of the Fast Track Courts in the Jharkhand Superior Judicial Service on regular basis, in view of the recommendation of the Court made vide letter Nos.6949/Apptt. Dated 3rd November 2007 and 2819/Apptt. Dated 11.04.2008, the actual vacancies as on 30.04.2009 in the Promotee Quota shall be reduced to 08.”

After initiation of the impugned selection process for 2008, a Writ Petition No.4159/2008 was filed in the High Court in which directions were issued to the High Court to fill up 21 vacancies out of 42 vacancies by promotion of Subordinate Judges on the basis of Limited Competitive Examination and the rest of 21 vacancies by direct recruitment. The matter was, therefore, referred to the selection committee. In the meantime, however, the Judicial Officers challenged the decision of the High Court by way of present S.L.P. (Civil) No. 9883/2009 in which interim stay of operation of the directions issued by the High Court was granted on 9th April,

2009. The said interim order was later modified on 24th September 2010, in the following terms:

“List alongwith the batch of T.C.22 of 2001.

Since the matter has been pending at the stage of advertisement of 2008, we modify the order passed by the previous Bench dated 9.4.2009 by directing the process, pursuant to the advertisement of 2008, to continue pending the hearing and final disposal of this Special Leave Petition. However, on completion of the exercise, vacancies will not be filled till further orders.”

Pursuant to the modification of the interim order, the High Court completed the selection process of filling up of the notified vacancies of 2008 by way of promotion. On a further application filed, this Court on 5th August 2011 permitted the High Court to make appointments concerning the said selection process of 2008. The said order reads thus:

“In modification of our order dated 24th September 2010, the High Court is free to make appointments subject to the result of the special leave petition.

The Interlocutory Application is, accordingly, allowed.”

Pursuant to the liberty given by this Court, the High Court submitted recommendations to the State Government for promotion of 31 Officers of Sub-Judge Cadre as per the

advertisement issued in 2008 to fill up the vacancies in terms of Rule 4(b) and 4(c). The High Court submitted another recommendation to the State Government for promotion of 17 more Officers.

7. It is then asserted by the High Court that when the selection process of 2008 was commenced and completed, there was no vacancy for direct recruit quota. The affidavit also refers to the fact that 8 vacancies of direct quota were notified in the year 2010 vide High Court memorandum dated 4th November 2010 for the relevant period, which reads thus:

*“Actual vacancies in the Jharkhand Superior Judicial Service accrued during the **period from 18.07.2008** till date*

By Promotion from Sub-Judges on basis of merit-cum-seniority	Promotion (by way of Selection) through limited competitive Examination	By direct recruitment from Bar	Total Vacancies
28	08 or 09	07 or 08	44

Memo 7671/Apptt. Dated Ranchi the 4th November, 2010

Copy forwarded to Scientist (D), N.I.C., Jharkhand High Court Ranchi.

He is requested to put the aforesaid vacancies in the official website of the Jharkhand High Court, Ranchi.”

The High Court with a view to fill up those vacancies, commenced the process vide advertisement No.01/2010. Pursuant to the said advertisement, the writ petitioners in the connected writ petitions appeared in the preliminary examination held on 29th September 2011 and the main examination held on 27th November 2011 along with other candidates. Only 32 candidates could qualify the main examination, who were called for viva-voce held on 3rd February 2012. Out of those candidates, only 15 candidates including the writ petitioners in the connected writ petitions successfully qualified all the three rounds. However, as per the merit wise rank of successful candidates, the names of the said writ petitioners were placed at lower position. Thus, the first 8 meritorious candidates were recommended for appointment against the vacant posts to be filled by the process of direct recruitment. It is also mentioned in the affidavit that the appointment of the candidates made against the selection process for 2008, the candidates were made aware that their appointment was subject to the final decision of this Court in SLP (Civil) No. 9883/2009.

8. It is asserted by the High Court that the writ petitioners in connected writ petitions, who participated in the subsequent

selection process cannot get any advantage qua the selection process of 2008. For, they participated in the selection process commenced on the basis of advertisement No.1 of 2010. Similarly, they cannot claim any relief in respect of fresh vacancy which was notified in the year 2012, vide Notification dated 22nd March, 2012. That notification reads thus:

**“JHARKHAND HIGH COURT, RANCHI
NOTIFICATION**

No. 102/A. The Vacancies of the Jharkhand Superior Judicial Service including the future vacancies till 31.12.2012 are hereby notified in the following manner:-

Dated: 19th September, 2012”

9. It is stated that the vacancy position as on 31st December 2012 was notified on the basis of the sanctioned strength of 174 at

the relevant time. That sanctioned strength was later on increased to 191 on creation of 17 permanent posts of Superior Officers @ 10% of existing strength. In paragraph 20 of the reply affidavit, the vacancy position as calculated on the basis of amended Rules (as amended on 14th December 2011) has been mentioned as follows:

Sanctioned strength	By promotion from Civil Judge(Sr.Div.)on the basis of merit-cum-seniority (65%)-Rule 4(b)	Promotion (by way of selection through limited competitive examination (10%)-Rule 4(C)	By direct recruitment from Bar (25%)-Rule 4(a)
Sanctioned Strength-191	124	19	48
Present working strength-124	68	20(-1*)	36
Present vacancies	56-1*=55 (*excess adjusted)	Nil	12

10. It is then stated that pursuant to the decision of this Court in Civil Appeal Nos.6647-6649/2012 (filed by officers posted as Additional District Judges, Fast Track Courts), vide letter dated 20th February 2013 the State Government was requested to create 13 permanent posts to accommodate the 22 appellants in the said Civil Appeals on condition that in the event of non qualifying of any of the appellants in the selection process to be conducted in terms of the direction given by this Court in the said decision, the equal number of such created posts of District Judge will be abolished.

After due consideration, the vacancy position of the Jharkhand Superior Judicial Service was notified vide Notification dated 22nd February 2013 which reads thus:

“HIGH COURT OF JHARKHAND, RANCHI
NOTIFICATION

No.45/A. The Vacancies position of the Jharkhand Superior Judicial Service as notified earlier vide Notification No.275/A dated 19th September, 2012 is hereby recalled and further revised till date in the following manner:-

11. It is also pointed out that the Standing Committee of the High Court vide minutes dated 18th February 2014 assessed the vacancy position as on 20th February 2014 as under:

Sl.No.		Sanctioned Strength	Working Strength as on 20.02.2014	Vacancy as on 20.02.2014
1	By promotion from Civil Judge 9Sr.Division) on the basis of merit-cum-seniority (65%)-under Rule 4(b) of rules, 2001	134	60	74* (74-4*)=70
2	Promotion(by way of selection)through limited competitive examination(10%)-under Rule 4(c) of Rules, 2001	21	17	4
3	By direct recruitment from Bar (25%)-under Rule 4(a) of Rules,2001	51	55	Excess 4* (excess may be adjusted)

In other affidavits filed on behalf of the High Court by the Registrar General, the above factual position has been reiterated.

12. We have heard the learned counsel for the parties at length. The leading appeal concerns the selection process commenced in 2008. The High Court has set aside the said selection process on the finding that 50% of the posts have already been filled up by the promotees on the basis of merit-cum-seniority and as a result of

which the left over 42 vacancies should be filled by promotion from the subordinate Judge/Civil Judge (Senior Division) on the basis of Limited Competitive Examination and by the direct recruits in equal proportion. There can be no difficulty in accepting the argument that the amended Rules providing for the ratio to be maintained between the promotees and direct recruits became effective on 20th August 2004 and had prospective application. Thus, the factual position as obtained on 20th August 2004 would become relevant.

13. Rules 4 and 5 read with Rule 8, as it existed prior to the amendment of 20.08.2004 read thus:

Rule -4: - ***Appointment to the service-*** *Appointment to the service, which shall in the first instance ordinarily be to the post of additional district judge, shall be made by the governor, in consultation with High Court:-*

(a) *By direct recruitment of persons as recommended by the High Court for such appointment under clause (2) of Article 233 of the Constitution of India; and*

(b) *By promotion on merit-cum-seniority basis from amongst the officers belonging to the Jharkhand service provided that where the merit of the officers is equal in all respects, seniority shall prevail and be given weightage.*

Rule-5: ***Of the total posts in the cadre of the service 67% shall be filled in by promotion and 33% by direct recruitment:***

Provided that the State Government may, in consultation with the High Court, from time to time deviate from the aforesaid percentage in either direction.

Rule 8:- 8. Seniority:

(a) Seniority inter se of direct recruits shall be determined in accordance with the dates of their respective appointments to the service.

(b) Seniority inter se of promoted officers shall be determined on the basis of their seniority as existing in the Jharkhand Judicial service immediately prior to his appointment under these rules.

(c) If at any time more than one direct recruit is appointed in the service, the inter se seniority of such appointees will be determined in accordance with the order of merit as obtaining in the select list at the time of his appointment.

(d) Seniority of direct recruits vis-à-vis promoted officers shall be determined with reference to the dates on which his appointments actually are made: Provided, however, when a direct recruit and a promoted officer are appointed on the same date, the promoted officer shall rank senior to the direct recruit.”

14. Resultantly, appointments made prior to 2004 were governed by the Rules as applicable at the relevant time. As per that dispensation, the direct recruits quota was 33% of the total posts. That was obviously in excess of 25% now specified in the amended Rules (as amended on 20.08.2004 pursuant to the decision of this Court). Notably, the State of Jharkhand had filed an affidavit in C.A.No.1867/2006 before this Court in which it has been stated

that no vacancy against 25% quota for direct recruitment existed in the State of Jharkhand at that time. This affidavit was filed on 26th August 2008 after the amended Rules were notified and came into force w.e.f. 20th August 2004. Thus, notification for filling up of 34 posts of Additional District Judge through Limited Competitive Examination from amongst the members of Jharkhand Subordinate Judges having more than 5 years of experience and 18 posts from merit-cum-seniority basis amongst the Civil Judge (Senior Division), was issued in 2008 on the basis that no vacancy against the posts of direct recruit quota was available. That stand is reiterated even now in the affidavit filed by the High Court. The High Court in the impugned judgment has committed manifest error in not considering these relevant facts about the vacant posts for direct recruits as on 20.08.2004 - before recording a finding against the High Court and the State Government and to reject their stand that no vacancy against the quota of direct recruit was available as on 30.04.2008.

15. Indeed, the High Court in the impugned judgment has adverted to the decision of this Court in ***All India Judges'***

Association & Ors. Vs Union of India & Ors.¹ which has enunciated the principle of roster and the ratio to be followed for the post of Additional District Judge. Indisputably, pursuant to the decision of this Court the Rules were amended, which came into effect from 20th August 2004. In paragraph 27 to 29 of the said decision, this Court has considered the question regarding the method of recruitment to the post in the cadre of Higher Judicial Service i.e. District Judges and Additional District Judges. The same reads thus:

“27. Another question which falls for consideration is the method of recruitment to the posts in the cadre of Higher Judicial Service i.e. District Judges and Additional District Judges. At the present moment, there are two sources for recruitment to the Higher Judicial Service, namely, by promotion from amongst the members of the Subordinate Judicial Service and by direct recruitment. The subordinate judiciary is the foundation of the edifice of the judicial system. It is, therefore, imperative, like any other foundation, that it should become as strong as possible. The weight on the judicial system essentially rests on the subordinate judiciary. While we have accepted the recommendation of the Shetty Commission which will result in the increase in the pay scales of the subordinate judiciary, it is at the same time necessary that the judicial officers, hard-working as they are, become more efficient. It is imperative that they keep abreast of knowledge of law and the latest pronouncements, and it is for this reason that the Shetty Commission has recommended the establishment of a Judicial Academy, which is very necessary. At the same time, we are of the opinion that there has to be certain minimum standard, objectively adjudged, for officers who are to enter the Higher Judicial Service as Additional District Judges and District Judges. While we agree with

¹ (2002) 4 SCC 247

the Shetty Commission that the recruitment to the Higher Judicial Service i.e. the District Judge cadre from amongst the advocates should be 25 per cent and the process of recruitment is to be by a competitive examination, both written and viva voce, we are of the opinion that there should be an objective method of testing the suitability of the subordinate judicial officers for promotion to the Higher Judicial Service. Furthermore, there should also be an incentive amongst the relatively junior and other officers to improve and to compete with each other so as to excel and get quicker promotion. In this way, we expect that the calibre of the members of the Higher Judicial Service will further improve. In order to achieve this, while the ratio of 75 per cent appointment by promotion and 25 per cent by direct recruitment to the Higher Judicial Service is maintained, we are, however, of the opinion that there should be two methods as far as appointment by promotion is concerned: 50 per cent of the total posts in the Higher Judicial Service must be filled by promotion on the basis of principle of merit-cum-seniority. For this purpose, the High Courts should devise and evolve a test in order to ascertain and examine the legal knowledge of those candidates and to assess their continued efficiency with adequate knowledge of case-law. The remaining 25 per cent of the posts in the service shall be filled by promotion strictly on the basis of merit through the limited departmental competitive examination for which the qualifying service as a Civil Judge (Senior Division) should be not less than five years. The High Courts will have to frame a rule in this regard.

28. As a result of the aforesaid, to recapitulate, we direct that recruitment to the Higher Judicial Service i.e. the cadre of District Judges will be:

(1)(a) 50 per cent by promotion from amongst the Civil Judges (Senior Division) on the basis of principle of merit-cum-seniority and passing a suitability test;

(b) 25 per cent by promotion strictly on the basis of merit through limited competitive examination of Civil Judges (Senior Division) having not less than five years' qualifying service; and

(c) 25 per cent of the posts shall be filled by direct recruitment from amongst the eligible advocates on the basis of the written and viva voce test conducted by respective High Courts.

(2) Appropriate rules shall be framed as above by the High Courts as early as possible.

29. Experience has shown that there has been a constant discontentment amongst the members of the Higher Judicial Service

in regard to their seniority in service. For over three decades a large number of cases have been instituted in order to decide the relative seniority from the officers recruited from the two different sources, namely, promotees and direct recruits. As a result of the decision today, there will, in a way, be three ways of recruitment to the Higher Judicial Service. The quota for promotion which we have prescribed is 50 per cent by following the principle “merit-cum-seniority”, 25 per cent strictly on merit by limited departmental competitive examination and 25 per cent by direct recruitment. Experience has also shown that the least amount of litigation in the country, where quota system in recruitment exists, insofar as seniority is concerned, is where a roster system is followed. For example, there is, as per the rules of the Central Government, a 40-point roster which has been prescribed which deals with the quotas for Scheduled Castes and Scheduled Tribes. Hardly, if ever, there has been a litigation amongst the members of the service after their recruitment as per the quotas, the seniority is fixed by the roster points and irrespective of the fact as to when a person is recruited. When roster system is followed, there is no question of any dispute arising. The 40-point roster has been considered and approved by this Court in R.K. Sabharwal v. State of Punjab³. One of the methods of avoiding any litigation and bringing about certainty in this regard is by specifying quotas in relation to posts and not in relation to the vacancies. This is the basic principle on the basis of which the 40-point roster works. We direct the High Courts to suitably amend and promulgate seniority rules on the basis of the roster principle as approved by this Court in R.K. Sabharwal case³ as early as possible. We hope that as a result thereof there would be no further dispute in the fixation of seniority. It is obvious that this system can only apply prospectively except where under the relevant rules seniority is to be determined on the basis of quota and rotational system. The existing relative seniority of the members of the Higher Judicial Service has to be protected but the roster has to be evolved for the future. Appropriate rules and methods will be adopted by the High Courts and approved by the States, wherever necessary by 31-3-2003.”

(emphasis supplied)

16. Once it is found that no post against the quota of direct recruitment was available as on 30th April, 2008, no fault can be found with the selection process commenced by the High Court for

appointment in the cadre of Jharkhand Superior Judicial Service by promotion on the basis of merit through Limited Competitive Examination. The High Court in the impugned judgment has glossed over the effect of filling up the vacancies in the ratio of 25:25, which inevitably will exceed the quota of posts for direct recruits as on 30.04.2008. That would disturb the roster point and is impermissible in terms of Rule 8 as amended. The notification dated 20.08.2004 amending Rule 5 and 8 reads thus:

*“Government of Jharkhand
Department of Personnel, Administrative Reforms and
Rajbhasha

Deputy Secretary of Govt,”

17. The position as it stood as on 30th April 2008, is stated in paragraph 4 of the affidavit filed by the High Court dated 30th March, 2016, which reads thus:

“That it is stated that as on 30.04.2008, the sanctioned strength of the Jharkhand Superior Judicial Service was 145 and working strength was 93, which is shown herein below:-

By Promotion from Sub-Judges on the basis of merit-cum-seniority (50%)	Promotion (By way of selection) through limited competitive Examination (25%)	By direct recruitment from Bar (25%)
Sanctioned Strength - 145		
73	36	36
Working strength = 93		
55	00	38
Vacancies = 52		
18	36-2=34	02 (surplus)

18. Considering the fact that no vacancy existed in the quota of direct recruit as on 30th August 2008, the writ petitioners (respondents 4 to 11 in the leading appeal), who could participate in the selection process for direct recruit alone and not by way of promotion through Limited Competitive Examination, had no locus to challenge the selection process of 2008.

19. The High Court has overlooked the distinction between “post” and “vacancy”. If the requisite posts were already exhausted by the direct recruits against the earmarked quota for direct recruitment, merely because some vacancies occur, it would not be open to the aspiring candidates against the direct recruit quota to challenge the

selection process commenced for the in service judicial officers by promotion through Limited Competitive Examination. The cadre strength is always measured by the number of posts comprising the cadre. The right to be considered for appointment can only be claimed in respect of a post in the given cadre. The percentage of quota has to be worked out in relation to number of posts which form the cadre and has no relevance to the vacancy that would occur. This aspect has been glossed over by the High Court in the impugned judgment. Suffice it to observe that as no post for direct recruits existed as on 30th April, 2008, the challenge to the selection process to fill up the vacancy by promotion through Limited Competitive Examination, at the instance of aspiring candidates by direct recruitment cannot be countenanced. The Writ Petition filed by such aspiring candidates (WP(S) No. 4159/2008), therefore, ought to have been dismissed by the High Court.

20. Having said this, it must follow that the selection process of 2008 which has been completed pursuant to the liberty given by this Court by way of interim order is proper and has become final. On this finding, the challenge in the companion Writ Petitions to

the selection process commenced for the year 2010 does not merit interference. In that, the vacancy position as on the date of the notification (i.e. 4th November, 2010), for commencing selection process in 2010, were only upto 8 vacancies for appointment by direct recruitment from the Bar. None of the writ petitioners before this Court claim to be within the first 8 merit list candidates. The petitioners were placed at serial No.9 onwards. The first 8 candidates having been appointed, the selection process for 2010 would get exhausted and considered as complete. Merely because the names of the writ petitioners appear in the selection list, they do not acquire any indefeasible right in getting appointed. The vacancies have to be filled up in conformity with the extant Regulations. The selection process in which the writ petitioners participated, was commenced on the basis of the stated notification for 8 notified vacancies and appointments have been made of the meritorious candidates. That selection process must be treated as having come to an end. The fact that the notifications for subsequent selection process (commenced after 2010), issued by the High Court notifying different or higher number of posts for direct recruitment, can be of no avail to the selection process of

2010. That changed position is ascribable to subsequent period on the basis of availability of posts for direct recruits. Not for selection process of 2010. Similarly, the fact that one candidate amongst the appointed eight candidates after due selection subsequently resigned, no right can accrue to the Writ Petitioner(s) on completion of the selection process of 2010. Reliance placed on Rule 21 which requires preparation of select list and to notify the same or to remain valid for one year from the date of being notified, is also inapposite. That is not a Rule mandating preparation of a wait list of the selected candidates. No express provision for retaining the select list as wait list for one year has been brought to our notice. On the other hand, the effect of Rule 22 is that once the names of candidates from the notified select list are recommended to the Government proportionate to the vacancies available for appointment; and recommended candidates are so appointed or on expiry of one year from notifying the select list whichever is earlier, the select list would become ineffective qua the subject selection process. For, that selection process is concluded. None of the writ petitioners can, therefore, succeed in getting the relief claimed by them.

21. The decision in the case of ***Rakhi Ray & Ors. Vs. High Court of Delhi and Ors.***² will be of no avail to the writ petitioners and would instead support the view we have already taken. The writ petitioners cannot be heard to claim relief on the basis of the subsequent selection process commenced pursuant to the notification dated 22nd February 2013. The High Court was not expected to fill the vacancies over and above the vacancies advertised for selection process of 2010. Moreover, since the writ petitioners have participated in the earlier selection process of 2010 and not in the subsequent selection process conducted on the basis of Notification dated 22nd February 2013 for the year 2012, they cannot be given any relief.

22. Considering the above, the Civil Appeal must succeed and is allowed. The impugned judgment and order of the High Court of Jharkhand at Ranchi in WP(S) No.4159/2008 dated 29th August 2008 is set aside and consequently the WP(S) No.4159/2008 stands dismissed. Even the three connected Writ Petitions bearing Nos.300/2013,27/2014 and 325/2014 deserve to be dismissed and

² (2010) 2 SCC 637

are dismissed. Accompanying, I.As are disposed of in the same terms.

23. We order accordingly. No order as to costs.
